By Alexander S White

White Knight Press, United States, 2013. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.The Leica D-Lux 6 is one of the top choices for photographers who want an advanced camera they can carry around to capture great images without the complication and weight of a DSLR or other large camera. With features such as a very fast lens with an aperture of f/1.4, excellent image quality, and a solid array of burst-shooting capabilities, the D-Lux 6 has attracted an enthusiastic following. However, the camera does not come with a detailed printed manual for reference, making it hard for users to find answers to questions about the use of the camera s many controls, menus, and features. With the release of this guide book to the D-Lux 6, White Knight Press has provided users with a comprehensive guide to all operations of this sophisticated camera. Using a patient, tutorial-like approach, the book provides guidance to beginning and intermediate photographers about how to accomplish things with the D-LUX 6, as well as when and why to use the camera s many controls, menus options, and other features. The book does not...
