Penguin Putnam Inc, United States, 2016. Paperback. Book Condition: New. 170 x 106 mm. Language: English . Brand New Book. A big-city doctor in a small-town Montana practice.A former nurse who has sworn off doctors forever.The scene is set for passions to ignite in Big Sky Country. For readers of Robyn Carr and Sherryl Woods. City doctor Josh Stanton and his sports car don t suit the country, but with his medical school debt about to bury him, Josh has to make the best out of a bad situation. Adjusting to his new job and life in the middle of nowhere isn t easy, but at least the views of the mountains--and one distractingly attractive local--are stunning. After eight years away, Katrina McCade is back in Bear Paw for a break from her life, bad choices--and men. But when a broad-shouldered stranger bursts into town, she finds herself unexpectedly saddled with the town s sexy new doctor as a tenant. Katrina doesn t need a man to make her happy, especially a disgruntled physician. But try telling her body that. This is a funny, sexy, and heart-warming novel that I feel is a must-read and a keeper. It made me laugh. I loved each character, and wish I could visit Bear Paw. Catherine Anderson, New York Times bestselling author of Silver Thaw Delightful. --Publishers Weekly (starred review).
