For six days, seventeen people are caught in the chaos. For six days, Los Angeles shows the world what happens when laws are no longer enforceable. In April 1992, less than two hours after one of the most notorious, racially charged trials in American history, Los Angeles explodes in violence. As widespread rioting breaks out and martial law takes over, one man s death triggers an astonishing sequence of events - not just for the gangs involved, but for others too: fire-fighters, graffiti artists, nurses and law enforcement, all of whom are connected by this murder and entangled in the city s mayhem. Through these voices, All Involved weaves a brutal epic of crime and opportunity, revenge and survival.
