Atlantic Publishing Co, United States, 2009. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. The Internet affiliate program industry is one of the largest and fastest growing digital revenue generators in the world, with more than $65 billion in total income brought in recently. It is because of programs like Amazon s Associate program, which has been around for more than a decade, which allows casual, every day users of the Internet to install widgets and links on their Web sites that link back to Amazon products. Users like you can earn commissions of up to 15 on products that your Web site visitors purchase when they visit Amazon. With the world s largest online retailer as a potential source of income, you can generate endless streams of income as a result.No matter where you are from, how old you are, or what your background is, you can build and run a highly profitable business with Amazon. This detailed book is written to show you exactly how you can learn to be an Amazon guru in just a matter of weeks, making unfathomable amounts of money by selling Amazon products, your own products, starting a store, promoting outside projects, and making referrals.In this book, you will learn how the Amazon business model works and how much money they will pay you in various ways. You will learn how to build a traffic funneling Web site with dozens of free tools such as blogs, podcasts, videos, and social media that help you increase the number of visitors you can send to Amazon for minimal investment. You will learn how to take advantage of the Amazon Kindle program and its revolutionary take on digital distribution of books and newspapers. You will learn what you can do...
