Brand New Book ***** Print on Demand *****.The chalice, a sacred relic of the Great Hive, created by the Hive Queen and containing her Blood, is in the hands of the feared and hated Cadmus Pariah. It s up to Queen Kelat and her chosen champions to try to retrieve the chalice before Cadmus uses it to destroy all Vampires and enslave humanity. In a series of cyclic interludes we meet the main players in the story as it builds to the climax where Kelat and Cadmus come face to face with the chalice between them. The Chalice is the first book in The Vampire Relics Trilogy: For as long as Vampires have walked the Earth, there has been an obsession to mortate, to leave the Vampire world behind and be human again. Legends say there are relics: a crown, a chalice, and an augury; which when combined will cure the curse of blood lust. Legends tell also of ancient teachers, of deadly alliances, and twisted advantages. Welcome to the world of the Vampire Relics, where humanity moves blindly along the rim of time, and an immortal battle rages over history lost and history yet to be made.
