By Milena

M Publishing Ltd, United States, 2015. Paperback. Book Condition: New. 241 x 168 mm. Language: English . Brand New Book ***** Print on Demand *****.SHORT DESCRIPTION Solve the puzzle of a Human Seed and its cosmic destiny! Find the answers pertaining to its origin, evolutionary stages and genetic fulfilment, while understanding Life as a celestial programme, the Seed as a biological computer and the Creator as a power beyond religious dimension. Illustrated with 70 artistic black and white drawings. LONG DESCRIPTION Earth is a cosmic greenhouse - a medium of intensive evolution for all life-forms dwelling on it. Our essence-gene comes to this planet and merges with the genes of our mother and father, to create a foetus and to evolve. From the very beginning, we are continuously nurtured and educated by various terrestrial influences. However, there are countless ways in which our cosmic homeland takes care of us too - such as through cosmic currents that shower our planet or through comets that pass it. These celestial energy supplements are prepared and delivered according to the planetary consciousness level and its evolutionary needs. The evolvement and the knowledge we gain here are therefore not solely our personal triumph or...
