Study Pubs LLC. Paperback. Book Condition: New. Paperback. 216 pages. Dimensions: 8.9in. x 5.9in. x 0.5in.As opposed to memorizing Italian phrases or forcing yourself to get through another dry Italian grammar or verb manual, this Dual Language Reader (DLR) keeps you eager and excited to turn each page! Short stories in DLR format serve as an excellent tool to aid you in developing the ability to think in Italian. This compilation features Carrolls classic masterpiece: Alices Adventures in Wonderland coupled with the superb Italian translation by Teodorico Pietrocla-Rossetti. The key to mastering any foreign language is developing the ability to Think in that language. With the English text on the left (even pages) and the Italian translation on the right (odd pages), youre able to comprehend, precisely, the ideas being conveyed without turning a page! For those students who wish to test their ability to read the Italian text, simply fold the left page back to easily hold and read each page (or the entire book) in Italian; if you have difficulty understanding exactly what the Italian text is trying to convey, you can quickly look at the English text to help make the concepts clear and get yourself back on track. Another useful technique (for beginners, especially) is to read the English translation first and then, once the concepts are clear, move on to reading and comprehending the Italian text. Your goal, other than enjoying the process of learning, is (again): to develop the ability to think in the new language. A Dual Language Reader is an excellent tool for helping you to do exactly that! This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
