iUniverse, United States, 2013. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. Navigating your way up the corporate ladder doesn t happen by accident. You need to maintain the right attitude, develop the right skills, and work hard to succeed. Author Peter F. Green, who has spent four decades in the manufacturing industry, walks you through the day-to-day moves that can help you stand out, win respect, and reap rewards at the workplace. In this guidebook to career success, you can discover how to develop the hard and soft skills that employers value the most. Hard skills are learnable skills you bring to your job, such as educational credentials, licenses, and technical knowledge, while soft skills are more innate qualities, originating in your heart, soul, or spirit. The strategies you ll learn include how to bypass the trial-and-error approach to advancement, dress and behave in ways that fit your workplace culture, steer clear of the dangers posed by social media, and boost communication and networking skills. No matter how long you ve been in the workforce, Workplace Wisdom 101 can help you be better equipped to work your way up the corporate ladder and achieve your goals.
