Brand New Book ***** Print on Demand *****.It s a very small collection of the 154 plus poems and songs I have written through the years. As the back cover poem says, Lost in moving, most of my poems were lost in the multiple household moves I have made. Much of this collection was actually written in the last few years or as I was publishing this book. However, some are over thirty years old already as I wrote them in high school! Although this is a small collection, it packs a huge message!.
