AuthorHouse. Paperback. Book Condition: New. Paperback. 28 pages. Dimensions: 10.7in. x 8.3in. x 0.1in.The story Jessies Big Tryout is about alittle girl thats trying out for a softball team. There are so many other girls at the tryout that Jessie doesnt think she has a chance. She was so dedicated she even went to practice when she was sick. When she first wanted to play all she could think of was hitting a homerun or making a double play. Even hearing the crowd cheer excited her to play. However, after practicing with her coach for just a few days, and talking with her Grandfather it reminded her the real reason to play is for the fun of the game, and that when you play you need to have good sportsmanship while you play. Its not about winning or being the best on the team its about you and your friends having fun. The book is teaching children to play a game for fun not to just win. When children play games there always has to be a winner and a loser. Parents hate to see their children lose, but as parents that is our job. We have to teach them to lose and try to be good about it. Just as we have to teach them to be good winners. So they dont rub it in when they win. We want them happy. Just as we wouldnt want them to pout if they lost. This book is trying to teach children to be a good winner or a good loser at an early age. It is explaining good sportsmanship in a very simple way. With similar experiences I had growing up as a child. The book Jessies Big Tryout has bright colors, big pictures that cover the pages, and big...
