Brand New Book ***** Print on Demand *****.Excerpt from Engineering Experiment Station: A Topographical Survey of the Spirit and Okoboji Lakes Region The Civil Engineering Department of Iowa State College holds, during the first two weeks of June in each year, a Summer Surveying Camp. It is required of each civil engineering student that he attend, during his four years course, at least one of these camps, but he has the option of attending two others, or of securing engineering work of satisfactory grade during each of two summer vacations, putting in at least four weeks work in each vacation. The purpose of the Summer Surveying Camp is, primarily, to give the students practice in surveying on a somewhat larger scale than is practicable during the school year. This purpose is kept constantly in mind, and all other considerations, accuracy alone excepted, are made subordinate thereto. As soon as a student becomes familiar with the duties of one position, he is shifted to another, and the work is so arranged that every student is given experience of as varied a character as possible. It...
