Great electronic book and useful one. It can be writter in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

I was following a man, who, the moment I saw him, I knew: he had what I wanted. The way the fabric of his shirt pulled across his chest, the angle of his hand as he held a cigarette, the tone of his voice when he said the word no. If you had told me three months ago that I'd do what I'd done and then risk coming after him, I'd have said impossible. No way .'
