Collector's Guide Publishing. Paperback. Book Condition: new. BRAND NEW, Sex in Space, Laura S. Woodmansee, As hoteliers design zero-gravity hotel suites for out-of-this-world unions and with the first honeymoon in space already scheduled, this provocative account reveals the truth about romantic rendezvous in Earth's orbit and beyond as well as the advantages and difficulties of having sex in space. Questions the space agencies are too embarrassed to discuss -- such as Has anyone 'done it' in space? What will happen to the first baby conceived in space? and Have astronauts and cosmonauts practised 'docking manoeuvres' while in orbit? -- are thoughtfully answered, while science-fiction myths about interstellar intercourse are dispelled. From chemistry to psychology, this exploration runs the reproductive and sexual gamut, from lust and sexual mechanics to conception, pregnancy, and birth in low-gravity situations.
