Date :2011-6-1. Teaching is learning this. but because of space limitations. it is not able to use knowledge points elaborated. By teachers teaching in the classroom teaching time constraints. can not compensate for this defect. This book will fill the shortage of textbooks and classroom teaching. Book three prominent features: First. students are expected to preview and organize after-school review purposes. Help to lift-off classroom learning. Sometimes teachers from talking about many things or difficult. some students listened to the half-comprehended. the use of the book is equal to _ an excellent teacher. please return home. to help you resolve difficult problems. Analysis of the Analogues test sites. Some students feel that way: the usual learning feel good. but one test. there are always questions to draw up 0 The reason is because the material is a combination of points. and test the integration of point and area of ??knowledge. Book is to fill the gap between textbooks and examinations. the examination requirements of the materials to conduct a comprehensive knowledge of mining and upgrading. comprehensive knowledge of the formation of an integrated system of Lai. so that the students in the examination Bear condescending. handy. Second. teacher preparation to write lesson plans. class knowledge to explain the point of use. to help teachers save time looking for knowledge to explain. Teachers in lesson preparation. often to find knowledge to explain the point of spending a long time. and teachers on the use of the book is far too simple to explain. This book not only covers all the teachers with the knowledge of the book to explain. and explain the more...
