All of the 20 walks are 5 miles or under in length and can easily be completed in less than 3 hours. Clear Ordnance Survey maps show the route, along with easy-to-follow walk descriptions. Cornwall forms the tip of the south-west peninsula of the island of Great Britain. This compact little guide contains walks, all of which are 5 miles or under, which are ideal for an afternoon stroll. INCLUDES: * 20 easy to follow walks which can be completed in 3 hours and under. * Each walk has a detailed Ordnance Survey map with the route clearly marked plus a detailed description of the route. * The walks have been chosen with issues like parking and refreshments in mind to make them suitable for families. * There are interesting facts about the things you'll see along the route. * All the books include general information on walking and also the general area covered by the guide. * Packed with colour photographs of scenes you will see along the walk.
