Brand New Book ***** Print on Demand *****.Tales of the Heart tells two compelling stories of two incredibly different women. While The Strawberry Patch and The Serengeti are wonderfully different, they are remarkably alike, drawing the reader in with the one thing we all hold in common, heart. The Strawberry Patch tells the story of the bond between a young girl and her father, the love they shared, having it, losing it, and rediscovering the wonders of such a bond all over again. The Serengeti brings you two interwoven stories, where we see beauty in bonds formed in unexpected places. Truly inspirational tales, these pieces give us a lot to think about, and provide a tremendous gift to those of us who allow ourselves to be touched by their words.
