Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Updated with additional chapters, the third edition of Generational Wealth: Beginner s Business Investing Guide is one of the most exciting and comprehensive business and investing guides ever published. Full of practical examples for gaining wealth, it is definitely a required reading for all aspiring investors and entrepreneurs. In an easy-to-read format, the book successfully covers economics, real estate investing, stock market investing, bonds, entrepreneurship, mergers acquisitions, contracts, and more. True to its title, Generational Wealth is a business and investing guide for beginners and also includes a plethora of content for the professional investor and business executive. This is a great investor guide by LaFoy Orlando Thomas III, Esq. The book goes over LaFoy s investment philosophy, which is very similar to my own, and I think it was a great read. - Whether you are an aspiring investor, executive, or entrepreneur you will find the information essential to success. Using this book as a guide, even a novice should be successful at business or investing. So much additional useful information is included in the pages that readers will have plenty of guidance in all areas related to investing and establishing and running a business. -.
