Reviews

This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better then never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).

Manic D Press,U.S., UK. Softcover. Book Condition: New. First Edition. Available Now. Synopsis : This is an ambitious young writer's hilarious journey inside the adult film industry. With dreams of becoming a highly respected screenwriter, Eric Spitznagel moves to LA. When Hollywood fails to notice him, he settles for the next best thing: writing scripts for adult films. Determined to make the most of his bad luck, he sets out to make a movie that will be celebrated more for its witty dialogue and gripping plot than its raw depictions of hardcore sex. As Spitznagel discovers, making the Great American Porn Film is far from easy, especially when you've been hired to write a sequel to "Butt Crazy". Spitznagel struggles to be taken seriously as an artist, a seeming impossibility in an industry averse to "complicated words". Along the way, he meets a director with delusions of being the porn Kurosawa, an actress with a scholarly knowledge of medical maladies and an NBA star who might just make the biggest mistake of his life. In an industry devoted to churning out disposable erotica, can one lowly writer make an adult film that compels viewers to admire the plot without hovering a thumb over the fast forward button? : From the Author: When I went on a bookstore tour of North America to promote Fast Forward, everybody with even a casual interest in adult films showed up for my readings. Most of them had questions about the dank underbelly of porn. "How long does it take to write a porno?" "Have you ever boinked a porn star?" "How much money can you make as a porn writer?" I was happy to tell them everything. (The answers, coincidentally, are: one hour; no; and around $500 a script.) But I'll be honest; I'm...
