During his successful career as a vulture investor, he s learned a number of lessons and developed an investment philosophy that has served him well. Now, in The Art of Vulture Investing, Schultze shares his valuable insights and experiences with you. Engaging and informative, this reliable guide offers a bird s-eye into the opportunities and risks associated with vulture investing. And while it may not always be pretty, you ll see exactly why this process is necessary for our economic ecosystem. Throughout this book, Schultze explains the theory and strategy of vulture investing in clear and lively prose, illustrating each concept with examples from his own varied experience that show how the landscape has changed in recent years. * Offers valuable information on distressed securities investing since the 2007-2009 financial crisis * Examines the opportunities and dilemmas for modern vulture investors * Includes in-depth case studies of high-profile bankruptcies, including those of Chrysler Automotive and Tropicana Casinos and...
