COSIMO CLASSICS, United States, 2009. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.This delightful 1919 book, reprinted here in a charming replica edition, is a complete guide to what one needs to know to write the perfect love letter. While the advice may be amusingly dated in some of its details-the hidden codes in the alignment of postage stamps are probably no longer appreciated today-the broad counsel would be wisely heeded by those wounded by Cupid s dart and hoping to make their best written impression on a beloved. Here the lovestruck reader will find admonitions that particular kinds of thoughtfulness, like remembering birthdays and anniversaries, are always treasured; practical reminders, such as Don t write like the tracks of an intoxicated hen ; and guides to which gifts go best with a love letter. Some conundrums of 21st-century lovers are not, of course, here addressed-you re on your own in deciding whether it s appropriate to propose marriage via email-but almost every contingency a tongue-tied lover may face is addressed with assistance as useful as it is timeless.
