Oxford University Press. Paperback. Book Condition: New. Paperback. 288 pages. Dimensions: 8.2in. x 5.4in. x 0.9in.Tokyo seems like an ultra modern--even postmodern--city, with its inventive skyscrapers and digitized surfaces. But it is also a city where past, present, and future coexist--where backstreets both inspire science fiction and host wooden temples, fox shrines, and Buddhist statues that evoke past ages. In this addition to Oxfords Cityscapes series, Stephen Mansfield explores a city rich in diversity, tracing its evolution from the founding of its massive stone citadel, when it was known as Edo, through the rise of a merchant class who transformed the town into a center for art, to the emergence of modern Tokyo. Mansfield traces a city of print masters, Kabuki theater, novelists and great architecture, which has overcome many disasters, from the 1923 earthquake through the fire-bombings of World War II to the 1995 subway gas attacks. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
