McGraw-Hill Education - Europe. Paperback. Book Condition: new. BRAND NEW, Project Management Demystified: A Self-teaching Guide, S. Kemp, Learn project management on time and under budget! "Project Management Demystified is valuable for both the novice project manager and the experienced. For the novice, it is a great way to understand PM basics in an easy-to-understand and practical way. Personalized stories demonstrate both what to do and what not to do. Experienced project managers will find 'gems' spread throughout the text to take away to improve their results". (Lee Krevat, IT Director, Business Strategic Alignment, Sempra Energy (A Fortune 500 company)). "Mr. Kemp truly demystifies project management, connecting the how and the why. Students and managers alike will gain both skills and confidence". (Malcolm Ryder, Principal and Chief Strategy Officer, Renovance, L.L.P. (An IT management consulting firm)). Written in straightforward language, Project Management Demystified will help you gain "instant expertise" in project management - even if you have no previous formal training in executive skills. The author, who has trained thousands of first-time managers and team leaders, uses a host of powerful techniques to help you soak up what you really need to know. With Project Management Demystified, you master the subject one simple step at a time - at your own speed. Unlike most books on project management, general principles are presented first- and the details follow. In order to make the learning process clear, simple, and useful, Project Management Demystified offers questions at the end of each chapter to pinpoint weaknesses, and case studies throughout the book to reinforce the entire process of project management. This unique, self-teaching guide shows you how to: transform a good idea into a smooth-flowing project; ensure project delivery with the "Six Keys to Success"; turn disorganized "to-do" lists into effective action plans; master people-management...
