In Worship Evangelism, Sally Morgenthaler calls the church to consider the remarkable, untapped potential of worship as an opportunity of those who aren't yet followers of Jesus Christ as well as those who are to encounter the presence of God. Combining the best of traditional and contemporary worship music and practices, Morgenthaler shows how to achieve worship that's both culturally relevant and authentic. She helps pastors, worship leaders, and musicians - Understand worship and its attraction for non-Christians - Tear down walls that keep unbelievers from meeting God in church worship - Make worship evangelism happen--in any culture Morgenthaler draws on sound research and her extensive experience as a worship leader to offer an energetic, hands-on approach. Now with a study guide that encourages group discussion and personal action, this timely book offers fresh vision for worship evangelism and provides the strategies to implement it.
