Since the hit HBO show The Wire premiered on June 2, 2002, it was viewed as much more than a typical police procedural. Over its five-season run it was praised by critics for its intricate examination of crime, life in the inner city, the criminal justice system, and the functioning of public institutions and the people who work in them. However, unlike other police and crime dramas, the police in The Wire did not solve cases on a weekly basis.
