Brand New Book ***** Print on Demand *****.Since the terrorist attacks of September 11, 2001, the role of foreign assistance as a tool of foreign policy has come into sharper focus. The President elevated global development as a third pillar of national security, with defense and diplomacy, as articulated in the U.S. National Security Strategy of 2002, and reiterated in 2006. At the same time that foreign aid is being recognized as playing an important role in U.S. foreign policy, it has also come under closer scrutiny by Congress, largely in response to a number of presidential initiatives, and by critics who argue that the U.S. foreign aid infrastructure is cumbersome and fragmented, and that aid policy and is unfocused. Within the last two years, several initiatives have heightened congressional interest in, and caused a re-examination of, U.S. foreign assistance policy and programs, including organizational structure. In January 2006, Secretary of State Rice announced a transformational diplomacy initiative to retrain and redeploy diplomats, and to improve U.S. outreach programs. At the same time, she announced an initiative to bring coordination and coherence to U.S. aid programs. The Secretary created a new State Department position -- Director of Foreign Assistance (DFA) -- the occupant of which serves concurrently .
