7D Publishing. Paperback. Book Condition: New. Paperback. 354 pages. Dimensions: 8.8in. x 6.0in. x 1.0in.Pure light beings from the 7th dimension have an interest in current human development. They have identified themselves as Simion, the Evolutionary Collective and have telepathically channeled Keys to Soul Evolution, through Jill Mara. Simion offers assistance to propel humankind forward to our next spiritual octave. They explain that the sentient Earth is making the transition to the next dimension, and we can join her by raising our vibration, thereby accelerating our soul evolution, individually and collectively. They educate us as to the inherent power of our collective intent to create a world of harmony and abundance. The light beings explain that our thoughts and emotions are energy forms that help create our universe, which is becoming increasingly super-conductive as we near a pivotal point when our solar system reaches the central plane of our galaxy around 2012. The level of energy available at this time will trigger a physical and spiritual shift that will transform our reality. They advise each of us on ways to consciously participate in creating a smooth transition, including how to: Clear away the layers of your ego veil to reveal your souls brilliance. Develop sensitivity to frequency and raise your vibration. Discover and create with your soul vision to live a purposeful life. Regenerate and flow with the zero point field of source energy. Use higher intentions to collectively encourage outcomes. Simion also reveals what humans can expect in the lighter dimension, such as: Sensations of enlightenment and Ascension. Inter-dimensional space and time travel. Associations with the inter-galactic community. The energetic balance and renewal of resources. Giant strides in technology, healing methods, and psychic abilities. The purpose for delivering this message is to assist humanity in its ascension. Keys to...
