Brand New Book ***** Print on Demand *****.Once upon a time there were two favorite books for Sunday reading: Parables From Nature and Agathos and The Rocky Island. These books contained all sorts of short stories, usually with a hidden meaning. In this illustrated book there is a selection of the very best of these stories, carefully retold to preserve the feel of the originals, coupled with ease of reading and understanding for today s readers. The spider that kept being blown in the wind; the soldier who had to fight a dragon; the four children who had to find their way through a dark and dangerous forest. These are just six of the nine stories in this collection. Oh, and there s also one about a rocky island!
