By Michael J. Hallowell, Darren W. Ritson

The History Press Ltd. Paperback. Book Condition: new. BRAND NEW, The Haunting of Willington Mill: The Truth Behind England's Most Enigmatic Ghost Story, Michael J. Hallowell, Darren W. Ritson, "During the nineteenth century Willington Mill, near Wallsend gained an infamous reputation for being haunted. Bizarre noises, apparitions and poltergeist activity dogged the premises and were experienced by dozens of credible witnesses. The case attracted the interest of the country's leading psychical researchers of the time, but the mystery was never solved - until now. Using a wide variety of contemporary sources along with cutting-edge investigative techniques, Michael J. Hallowell and Darren W. Ritson have pieced together the true story of Willington Mill. As well as detailing the fascinating phenomena that occurred in the building, "The Haunting of Willington Mill" is at last able to offer an explanation for one of England's most enigmatic and puzzling hauntings. In this book, for the first time, the full truth about what occurred at that sleepy Tyneside village has been laid bare for all to see". (Colin Wilson).
