Open University Press. Paperback. Book Condition: new. BRAND NEW, Special Educational Needs in the Primary School: A Practical Guide (3rd Revised edition), Jean Gross, Reviews of the first two editions: "extraordinarily rich in ideas.an essential buy." - TES "an excellent, clearly written work which is full of practical advice, and presented in an easily readable manner. This book is a highly recommended read. Do buy it and see." - Support for Learning "has proved especially influential at practitioner level .never failing to offer a balanced assessment." - British Journal of Special Education "I have a comprehensive library of books on special educational needs but I use this one more than any other because I find it readable, practical and accessible. It describes workable strategies for managing the most common behaviour difficulties and meeting special needs in language, literacy and mathematics. At a whole school level, it offers practical guidance on...
