A History of Italian Literature, Vol. 1 (Classic Reprint) (Paperback)

By Florence Trail

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A History of Italian Literature, Vol. 1 The plan of this History groups the writers into four classes. To those of the first importance I have devoted a biographical sketch in the text and an analysis at the close of the chapter. Those of the second class are represented by a biographical sketch and a translation in the text. The third class have only the sketch; and the fourth are mentioned in passing, or in foot-notes. The chronological grouping is unusual, but it is believed to be natural, as the overlapping of each period is the transcript of the fact. The simple form into which I have thrown my data and reflections adapts the work for a text-book in Colleges and Schools of every grade and also commends it as a book of ready reference to the general public. As this is, probably the most voluminous Literature in existence my principle of selection must be stated.
