Packages Access codes for Pearson s MyLab Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Modular, Manageable, Meaningful - help your students discover the life span. Discovering the Life Span, 3/e by Robert S. Feldman helps students truly connect to the material. Written in an engaging and accessible style and organized in a modular format, this title allows instructors to cover the entire life span without having to sacrifice content throughout their course. Students will get a better sense of the entire process of development and understand how the domains of development work together. Discovering the Life Span is a meaningful learning experience that prepares readers to apply content to their personal and future professional lives. MyPsychLab is an integral part of the Feldman program. Engaging activities...
