There is nothing worse than a farm that isn t run right, not very well situated, with poor buildings, and not very good crops raised, but when you have your farm up in good shape, your buildings handy, everything convenient and have a herd of dairy cows well bred and everything run right.and a good substantial milk check at the end of the month, there is nothing more attractive. I have a statement of a farmer given me the other day, and I want to read it so you can comment on it. It is just about my line of farming. He has done well, and I want to say here he can double the net profit and that is what we are after. He says: The feed on hand January 1, 1910, is practically the same as that on January 1, 1909, also I had 59 milking cows on hand January 1, 1909, and have the same number January 1, 1910. I have 131 1-2 acres in my own farm and rent 80 acres, making a total of 211 1-2 acres. Had 60 acres into corn, 30 of which was put in silo; the other 30 was shocked and husked. Had 40 acres of hay, consisting of 20 acres alsike clover and 20 acres common red clover and timothy; four acres of rye, which was cut and put in silo with three acres of alsike clover, about the middle of June,...
