Markham Publishing Co.,, Chicago IL, 1968. Hard Cover/Good. Book Condition: As New/Very Good. Dust Jacket Condition: Good/Very Minor Shelf Wear. 1st Edition Hardcover, This is a Very Good Copy, probably unused, but with a former ownr's name stamp. The book is in absolutely perfect condition, The book is certainly among the very best ever produced on the wonderful world of simulation in politics. Coplin pulled together a wide range of theoretical and practical experience on simulations design and application in fields such as political science in general, urban affairs, organizational behavior, elections and voter behavior, international relations and even political recruitment and development. It is a book for use both among instructors and among practitioners. Simulations may be, in some respects 'games', but in applied terms simulations can assist planners and decision makers in anticipating public policy problems and in resolving political crisis.
