Alphabet (Paperback)

By Andrew S. Guthrie

Proverse Hong Kong, Hong Kong, 2016. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Alphabet consists of twenty-six poems concerning the vagaries of failure, the underrated opposite of success. But in this case, the context of failure necessarily includes the genre of contemporary poetry, that most disabused yet over-abundant mode of expression. Why would anyone choose to express themselves in a manner that automatically narrows the readership, even after dispensing with avant-garde ambitions? - Precisely because its condition might lend itself to the aimless, useless or extra-economic moments when success can be turned on its head. And though the poet might be prone to the audience s neglect, history itself is rife with countless examples of spectacular literary failures (as addressed in Alphabet), whether these traumas are eventually redeemed or forever lost. These examples include: misplaced manuscripts, writer s block, articulate illiterates, libraries that were burned to the ground, posthumous fame for the previously poverty-stricken, botched yet endlessly repeated translations, along with the obvious shortcomings of the dilettante, the over-inflated ego, and the perennial loser.

Reviews

This publication will be worth purchasing. This is for all those who statte there was not a worthy of reading through. I discovered this publication from my dad and i suggested this pdf to find out.

-- ***Macey Cummerata***

A brand new eBook with a new standpoint. I have got read through and i also am confident that i will gonna read again once again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.
