CONSERVATION AT THE CROSSROADS: SCIENCE, SOCIETY, AND THE FUTURE OF INDIA'S WILDLIFE

Permanent Black, New Delhi, India, 2010. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. The author argues that a broad-based participatory India faces an ecological crisis of massive proportions. The overexploitation of the countrys forests and wetlands is eating away at vital ecological processes. Rapid and unplanned economic development threatens to fragment and devour the wildlife habitats that remain. Plant and animal species are joining the ranks of the critically endangered at faster rates than ever before. Using...

If you need to adding benefit, a must buy book. It usually does not charge excessive. I realized this ebook from my dad and i suggested this publication to learn.

-- ***Alec Veum***

This publication will never be effortless to begin on studying but extremely entertaining to learn. It is probably the most incredible publication i have go through. I realized this ebook from my i and dad suggested this publication to learn.
