Be Alert Publishing, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.An insidious evil has invaded the Church, luring unsuspecting Christians into a seriously compromised form of Christianity. What makes it more dangerous is that a number of highly respected Christian leaders have mainstreamed this deception into the lives of Christians who share our pews every week. Under the guise of achieving a higher spirituality, seemingly innocent practices derived from pagan and Eastern mysticism are encouraging Christians to empty their minds of rational thought and open them to the world of spirit. But as is chillingly clear, the spirits contacted may be neither higher nor benevolent. The stated purposes of the mystical practices are to achieve oneness with God by discovering the god within you. The deliberate effect, however, is to undermine belief in the transcendent God by lowering him into oneness with creation. The ultimate goal behind this oneness takeover of Christian beliefs is to move Christian theology toward Eastern and Gnostic concepts, thus preparing it for the merger of all faiths into a single, worldwide religion. This study guide is a companion to Mystic Seduction: Awakening Christians to a Real and Present Danger. It is meant to be used for both group and individual study.
